FEATURE

A brand new identity for a venerable Chicago law firm

Emu has recently completed the latest phase in an ongoing rebranding effort for long-time client Robbins, Salomon & Patt, Ltd.

This phase culminated in a complete and comprehensive Stationery System featuring nearly a dozen individual components, including: business cards, general and personalized letterhead, envelopes, labels and more.

“RSP has a very long and established history in the Chicago community, so a change like this is never easy. However, Emu Design Studio was able to smooth the transition by combining sound strategic thinking with a fresh creative approach – the end result was revitalizing for our firm and really sets the right tone as we move forward.”

– Michael Schlesinger, Attorney at Law

Robbins, Salomon & Patt, Ltd is a full-service law firm with locations in Downtown Chicago and Glenview, IL. More at : rsplaw.com
