Yorke gets back to Nature with FSC & SFI Certification announcement

Yorke Printe Shoppe asked Emu to help communicate their "green" initiatives, including FSC & SFI Certification, in a classy yet non-traditional manner.

Our solution? A tongue-in-cheek merger between Yorke and Nature, some close encounters with woodland wildlife, and one beautifully printed, tricked-out brochure. Didn't get one? Call Brad Scull (630.627.4960) for a copy.

Yorke Printe Shoppe is an FSC & SFI certified commercial printing company located in Lombard, IL. For more information, call 630.627.4960, or visit : yorkeprinte.com
